General Information about online dealing

Please ensure that you have read the:

- 1) [Currency Linked Deposit Principal Brochure](#), and
- 2) Risk Disclosure / Disclaimer Statement(below). Please [click here](#) to print.

A Linked Deposit is not the same as, nor should it be treated as, a substitute for normal time deposits. In making a linked deposit, you are undertaking market risk whereby the determination of the value you receive under a linked deposit is related to changes in the particular financial market to which the transaction is linked, and you are exposed to price volatility in that market. You may not receive the amount deposited by you or any cash at all on the maturity of the deposit. Any assets you may receive

I/We confirm that I/we have read and understand the terms and conditions, Principal Brochure (including the nature of the products and key risks of the investment), and the above risk warning in my/our preferred language.

Yes No

I/We acknowledge that I/we have received the notice and understand that the Currency Linked Deposits is not a protected deposit and is not protected by the Deposit Protection Scheme or the Investor Compensation Fund in Hong Kong. I/We further acknowledge that I am/we are aware of the risk of the investment on the Investment Product which may result in a loss of part of or all of the principal. I/We fully understand that the value of Investment Product fluctuates, sometimes dramatically. It is as likely that losses will be incurred rather than profit made as a result of buying and selling the Investment Product.

This is a structured product involving derivatives. The investment decision is mine/ours and I/we have exercised my/our judgment by carefully considering my/our own investment objective, financial resources, investment experience, risk tolerance level and relevant circumstances. I am/we are aware that if I am/we are in doubt about the suitability of the product, I/we should not subscribe to that product.

Yes No

I/We declare and represent that I/we am/are NOT retail investor(s) in the European Economic Area ("EEA") or in the United Kingdom ("UK"). For details, please refer to the "Selling Restriction" in the Principal Brochure.

The screenshot displays the BEA Cyberbanking interface. At the top, the BEA logo and 'BEA 東亞銀行' are on the left, and 'Welcome to Cyberbanking' is on the right. Below this is a navigation bar with links for Settings, Accounts, Payments, Loans, Cards, Investments, Insurance, and MPFI/ORSO. A secondary bar shows 'You are here - Investments - Linked Deposits - Currency Linked Deposits' and a 'Page Theme' button.

The main content area is titled 'Currency Linked Deposit' and includes the following elements:

- Risk Assessment:** A section with a 'Proceed' button.
- Risk Level Indicators:** Two vertical scales. The first, 'Your Risk Tolerance Level', has a red arrow pointing to '5d (Very Aggressive)'. The second, 'Product Risk Level', has a red arrow pointing to '2'.
- Investment Objectives:** Two vertical scales. The first, 'Your Expected Investment Objective', has a red arrow pointing to 'Speculation'. The second, 'Product Investment Objective', has a red arrow pointing to 'Income-oriented'.
- Reference Information:** A list of links: 'Assessment Methodology of Risk Tolerance Level', 'Definition of BEA Risk Level', 'Definition of Risk Tolerance Level', and 'Definition of Vulnerable Customer Category'.
- Text:** A paragraph stating: 'The result of the risk assessment depends on the accuracy of the answers given and is for guidance only. It is not a substitute for any appropriate professional investment advice. If you would like to change any of your previous answers, please conduct the assessment again by clicking "Risk Assessment" below.'

A sidebar on the left contains a menu with categories like Risk Assessment, Stock Trading, eIPOs, and Linked Deposits. Under 'Linked Deposits', 'Currency Linked Deposits' is highlighted.
