Debit Card & PIN Security Tips

- Do not write down your PIN. You should memorise it.
- Do not send your PIN via email/SMS and never use the same PIN to access other services.
- Do not write down your PIN on the card face and do not disclose your PIN to anyone.
- Do not, under any circumstances, disclose your PIN to anyone who claims to represent the Bank or who claims to be the Bank's employee or other authorised person, or the police. It is not necessary for anyone to know your PIN. The Bank will never ask for your PIN by any means such as email, SMS, phone, or any other method etc.
- Do not use combinations that are readily accessible/ deducible such as your identity card number, telephone number, date of birth, driver's licence number or any popular number sequence (such as 987654 or 123456) for your PIN. Avoid using the same digit consecutively or the same sequence of numbers more than twice (such as 112233 or 333333) as a PIN.
- For security reasons, change your PIN regularly.
- If you enter an incorrect PIN several times (five times) consecutively, the related service will be suspended. Please reset your PIN in BEA Mobile or at any BEA branch to resume the service.
- Be alert to your surroundings before conducting any
