- 1 • Select “Portfolio”
• Select “US Stock”
• Select “Activate” for US market trading

BEA Online Stock Trading Platform – 2. Activate US market trading

The screenshot displays the BEA Online Stock Trading Platform interface. A modal window titled "W-8BEN Substitute Form" is centered on the screen, prompting the user to complete the form to trade U.S. stocks. The form includes a "Sign the trading agreement" section with two radio button options: "No, I am not a U.S. citizen nor U.S. person" (selected) and "Yes, I am a U.S. citizen or other U.S. person". Below the form, there is a "Transaction History" table with columns for Order ID, Transaction Type, Transaction Date, Stock Code, Stock Name, Buy/Sell Period, Price, Quantity, and Amount. The bottom status bar shows the last successful login time as 2024-08-28 11:47:36 HKT and the current time as 2024-08-28 10:30:45 HKT.

- 2 • Follow instructions to complete W-8BEN Substitute Form

BEA Online Stock Trading Platform – 3.Trade

The screenshot displays the BEA Online Stock Trading Platform interface. The top navigation bar includes the BEA logo and a search bar. The main content area is divided into several sections:

- Portfolio:** A table showing the user's current holdings. It includes columns for Stock Code, Stock Name, Price, Change %, Bid, Ask, Quantity, Available Qty, Market Value, Average Unit, Unrealized P/L, and Today's Turnover. The table lists three stocks: NT PHARMA, CAM HS TECH, and ProShare UltraPro Short QQQ.
- Watchlist:** A table showing the user's watchlist. It includes columns for Stock Code, Stock Name, Price, Change %, Bid, Ask, Quantity, Available Qty, Market Value, Average Unit, Unrealized P/L, and Today's Turnover. The table lists three stocks: NT PHARMA, CAM HS TECH, and ProShare UltraPro Short QQQ.
- Order Entry:** A section for entering new orders. It includes a dropdown for Market, a dropdown for Order Type, and input fields for Price, Quantity, and Order Type. The "Buy" button is highlighted.
- Order History:** A table showing the user's recent orders. It includes columns for Order ID, Market, Buy/Sell, Stock Code, Stock Name, Cu, Price, Quantity, Filled Quantity, and Order Type. The table lists two orders: a Buy order for NT PHARMA and a Buy order for NT PHARMA.
- Right Panel:** A section showing the user's account information, including Total Portfolio Value, Today's Unrealized P/L, and Position Unrealized P/L. It also displays a list of orders with columns for Order ID, Price, Quantity, and Status.

- 1 • Enter “Stock Trading Platform”
• Select “Trade”

BEA Online Stock Trading Platform – 3.Trade

The screenshot displays the BEA Online Stock Trading Platform interface. The top navigation bar includes the BEA logo and a search bar. The main content area is divided into several sections:

- Portfolio:** A table showing the user's current holdings. It includes columns for Stock Code, Stock Name, Price, Change %, Bid, Ask, Quantity, Available Qty, Market Value, Average Unit, Unrealized P/L, and Today's Turnover. The table lists three stocks: NT PHARMA, CAM HS TECH, and ProShare UltraPro Short QQQ.
- Watchlist:** A table showing stocks the user is watching. It includes columns for Stock Code, Stock Name, Price, Change %, Bid, Ask, Quantity, Available Qty, Market Value, Average Unit, Unrealized P/L, and Today's Turnover. The table lists three stocks: NT PHARMA, CAM HS TECH, and ProShare UltraPro Short QQQ.
- Order Entry:** A form for entering a new order. It includes fields for Order Type, Session Order, Price (HKD), Quantity, and buttons for Buy and Sell.
- Order History:** A table showing the user's recent orders. It includes columns for Order ID, Market, Buy/Sell, Stock Code, Stock Name, Cu, Price, Quantity, Filled Quantity, and Order Type. The table lists two orders: a Buy order for NT PHARMA and a Buy order for NT PHARMA.

The interface also includes a sidebar with navigation links for Portfolio, Watchlist, and other features. The bottom status bar shows the user's login information and the current date and time.

- 2 • Enter "Stock Name/Code" to select stocks
- Enter other order information (Order Type, Good Till Date, Price, Quantity)
- Select "Buy" or "Sell"

BEA Online Stock Trading Platform – 3.Trade

- 3 • Check whether the order information is correct on the confirmation page, and then click "Agree and Confirm" to submit the instruction

BEA Online Stock Trading Platform – 4.View Order Status

The screenshot displays the BEA Online Stock Trading Platform interface. The top navigation bar includes the BEA logo and a search bar. The main content area is divided into several sections:

- Portfolio:** A table listing the user's holdings, including stock codes, names, prices, and quantities.
- Order History:** A table showing the user's recent orders, including order IDs, stock codes, prices, and quantities.
- Order Entry:** A form for entering new orders, including fields for stock code, price, quantity, and order type.

The Order History table shows the following data:

Order ID	Market	Buy/Sell	Stock Code	Stock Name	Cu	Price	Quantity	Filled Quantity	Unfilled Quantity	Average	Status	Order Type
28020230	HKEX	Buy	01011	NT PHARMA	HKD	0.024	500	0	500	0	Session Order	
28020228	HKEX	Buy	01011	NT PHARMA	HKD	0.022	500	0	0	0	Session Order	

- 1 • You can check the transaction status in "Order"

BEA Online Stock Trading Platform – 5.Modify Order

The screenshot displays the BEA Online Stock Trading Platform interface. The top navigation bar includes 'Portfolio' and 'Watchlist' tabs. The main content area is divided into several sections:

- Portfolio:** A table listing stocks with columns for Stock Code, Stock Name, Price, Change %, Bid, Ask, Quantity, Available Qty, Market Value, Average Unit, Unrealized P/L, and Today's Turnover. The table includes entries for NT PHARMA, CAM HS TECH, and ProShare UltraPro Short QQQ.
- Orders:** A section for managing orders, including a table for 'Order History' and a 'Modify Order' form.
- Order History Table:**

Order ID	Market	Buy/Sell	Stock Code	Stock Name	Cu	Price	Quantity	Filled Quantity	Unfilled Quantity	Average	Status	Order Type
