Enrolment Procedures

Regular employee:

The employer must enrol the regular employee in a registered MPF scheme within the first 60 days of employment by completing a "Member - Membership Application Form" for the BEA (MPF) Master Trust Scheme, BEA (MPF) Value Scheme or BEA (MPF) Industry Scheme (collectively "BEA MPF Scheme").

Procedures:

1. Complete the application form with your details and indicate your investment choice according to your risk tolerance level. If you do not wish to choose an investment option, you do not have to complete the "Investment Choice", and your future contributions and accrued benefits transferred from another scheme will be invested in accordance with the Default Investment Strategy by default.
2. Complete the "Tax Residency Self-Certification"[#] which is embedded in the application form to declare the tax residency status to trustee.
3. Return your completed form to your employer to be signed with an authorised signature and company chop. The completed form and a copy of your Hong Kong ID card (on a voluntary basis) should be submitted to any BEA branch or BEA MPF Administration Centre before the enrolment deadline.
4. After receiving and processing your completed form, the BEA MPF Administration Centre will dispatch your Notice of Participation to you by post directly.

Note:

Please be reminded the employee is required to provide following information in the application form for account opening: name, HKID or passport number, date of birth, residential address, telephone number and the declaration of tax residence (i.e. jurisdiction of tax residence and taxpayer identification number ("TIN") with respect to each jurisdiction). Otherwise, the account opening process will be adversely affected and procedures could not be completed.

If there is a change in circumstances relating to information that makes the self-certification incorrect or incomplete, employee must notify the trustee and provide an updated self-certification and/or documentary evidence within 30 days of such change in circumstances.

Casual employee:

As a casual employee under construction or catering industries, you are advised to enrol in the Industry Scheme by completing and submitting a "Member - Membership Application Form (Casual Employee)" either (i) on the first contribution day if your employer has chosen to make contributions on the next working day following payday; or (ii) on the 10th day after employment commences if your employer has chosen to make contributions within 10 days after the end of the payroll period.

Procedures:

1. Complete the application form with your details and indicate your investment choice according to your risk tolerance level. If you do not wish to choose an investment option, you do not have to complete the "Investment Choice", and your future contributions and accrued benefits transferred from another scheme will be invested in accordance with the Default Investment Strategy by default.
2. Complete the "Tax Residency Self-certification" which is embedded in the application form to declare the tax residency status to trustee.
3. Return your completed form and a copy of your Hong Kong ID card (on a voluntary basis) to any BEA branch or BEA MPF Administration Centre before the enrolment deadline.
4. After receiving and processing the completed form, the BEA MPF Administration Centre will dispatch your Notice of Participation and casual employee card to you by post directly.

Note:

Please be reminded the employee is required to provide following information in the application form for account opening: name, HKID or passport number, date of birth, residential address, telephone number and the declaration of tax residence (i.e. jurisdiction of tax residence and TIN with respect to each jurisdiction). Otherwise, the account opening process will be adversely affected and procedures could not be completed.

If there is a change in circumstances relating to information that makes the self-certification incorrect or incomplete, casual employee must notify the trustee and provide an updated self-certification and/or documentary evidence within 30 days of such change in circumstances.

#Guideline for completing "Tax Residency Self-Certification"

Regular Employee & Casual Employee

- i) The self-certification provided by the employee (including regular employee and casual employee) to trustee is for the purpose of Automatic Exchange of Financial Account Information ("AEOI") in compliance with tax law and regulations (including but not limited to the Inland Revenue Ordinance (Cap.112) ("IRO") and regulations based on the Organisation for Economic Co-operation and Development ("OECD") Common Reporting Standard ("CRS") for automatic exchange of information). The data collected may be transmitted by trustee to the Hong Kong Inland Revenue Department ("IRD") for transfer to the tax Authority of another jurisdiction.
- ii) If employee is a tax resident in a reportable jurisdiction of Hong Kong, the employee will be classified as a reportable person for AEOI, the trustee will be legally obliged to pass on the information provided in the self-certification and other financial information with respect to his / her accounts to IRD and they will transmit this information to the tax authorities of which they are tax resident.
- iii) For more details on the implementation of AEOI related to MPF, please visit BEA MPF Webpage at <https://www.hkbea.com/html/en/bea-mpf-aeoi.html>.

(II) Contribution Arrangement

(1) Mandatory Contributions for Employer and Employee

The basic rule:

The employer and the employee must each contribute 5% of the employee's relevant income* per month, subject to the minimum and maximum relevant income levels. For a monthly-paid employee, the maximum and minimum level of relevant income are HK\$30,000 and HK\$7,100 respectively.

Mandatory contributions in respect of the relevant income are summarised below:

Monthly Relevant Income (HK\$)	Employer's Mandatory Contribution	Employee's Mandatory Contribution
less than 7,100	5%	Not required
7,100 to 30,000	5%	5%
30,000 or above	Maximum HK\$1,500	Maximum HK\$1,500

* "Relevant income" refers to all payments in monetary terms given to employees, including wages, salary, leave pay, fee, commission, bonus, gratuity, perquisite or allowance (including housing allowance or other housing benefit), but excluding wages in lieu of notice, severance payments, and long service payments paid and compensation for occupational injuries accordance to the Employment Ordinance.

Regular employee:

The employer is required to make contributions for all employees who are employed for 60 days or more starting from the first day of employment. Employees are not required to make contributions for the first 30 days of employment and the following incomplete payroll period that immediately follows the 30 day period.

Example:

Employee is over 18 years old and is paid monthly (from the first to the last day of a month)

Relevant Income	: HK\$7,100
Date of Employment	: 9 th Aug, 2019
The 30 th day of employment	: 7 th Sep, 2019
The 60 th day of employment	: 7 th Oct, 2019 (public holiday)
Enrolment deadline*	: 8 th Oct, 2019
Commencement date of employer's mandatory contribution	: 9 th Aug, 2019
Commencement date of employee's mandatory contribution	: 1 st Oct, 2019

* If the enrolment deadline falls on a Saturday, Sunday, public holiday, gale warning day (i.e. a tropical cyclone warning signal no. 8 or higher) or black rainstorm warning day, the enrolment deadline will be postponed to the next working day (which is not a Saturday, public holiday, gale warning day, or black rainstorm warning day).

Relevant Contribution Period		Contribution Deadline [#]	Relevant Income (HK\$)	Employer's Mandatory Contribution (HK\$)	Employee's Mandatory Contribution (HK\$)
Employer's Contributions	Employee's Contributions				
9 th Aug, to 31 st Aug, 2019	—	11 th Nov, 2019	7,100	355 (7,100 x 5%)	Not required *
1 st Sep to 30 th Sep, 2019	—	11 th Nov, 2019	7,100	355 (7,100 x 5%)	Not required *
1 st Oct to 31 st Oct, 2019	1 st Oct to 31 st Oct 2019	11 th Nov, 2019	7,100	355 (7,100 x 5%)	355 (7,100 x 5%)

* Employee is not required to make contributions for the first 30 days of employment and the first incomplete payroll period that immediately follows the 30-day period.

[#] If a contribution day falls on a Saturday, Sunday, public holiday, gale warning day (i.e. a tropical cyclone warning signal no. 8 or higher), or black rainstorm warning day, then the contribution day refers to the next working day (which is not a Saturday, public holiday, gale warning day, or black rainstorm warning day).

Casual employee:

Employer is required to make contributions for casual employees in the construction and catering industries who are employed on a daily basis, or for a fixed period of less than 60 days. Both the employer and the employee should make contributions on the next working day following payday or within 10 days after the end of the payroll period.

Daily rated casual employee:

The contribution scale for the mandatory contributions of employer and employee under Industry Schemes is as follows:

Daily Relevant Income (HK\$)	Amount of Mandatory Contributions (Per Working Day) (HK\$)	
	Employer's contributions	Employee's contributions
Less than \$280	\$10	Not required
\$280 to less than \$350	\$15	\$15
\$350 to less than \$450	\$20	\$20
\$450 to less than \$550	\$25	\$25
\$550 to less than \$650	\$30	\$30
\$650 to less than \$750	\$35	\$35
\$750 to less than \$850	\$40	\$40
\$850 to less than \$950	\$45	\$45
\$950 or more*	\$50	\$50

* This income band contains the daily maximum relevant income level (i.e. \$1,000) and the maximum amount of contribution (i.e. \$50). If the daily relevant income of a casual employee exceeds \$1,000, the amount of contribution payable by both the employee and his employer will remain at \$50 each per day.

Non daily-rated casual employee:

For a casual employee who is not daily-rated but is employed, for example, on a fixed weekly or monthly rate, calculate his/her average daily relevant income, then check it against the corresponding income band under the new contribution scale to determine the applicable daily contribution amount, and finally calculate the total contributions payable for the week or month. The methods for calculating average daily relevant income, daily contribution amount and total contribution amount are as below:

$$\text{Average daily relevant income} = \frac{\text{Relevant income earned in a payroll period}}{\text{No. of working days in the payroll period}}$$

$$\text{Daily contribution amount} = \text{Check average daily relevant income against contribution scale for contribution amount}$$

$$\text{Total contribution amount} = [\text{Daily contribution amount}] \times [\text{No. of working days in the payroll period}]$$

Procedures:

1. Employer will deduct mandatory contributions and voluntary contributions (if any) from the employee's relevant income.
2. Employer is required to remit the contributions for the previous month on or before the contribution day as followings:

Monthly-paid regular employees	The 10 th day of each month
Casual employees under industry scheme	(i) the next working day following the relevant pay-day; or (ii) within 10 days after the payroll period ends

3. The Bank of East Asia (Trustees) Limited ("the Trustee") will subscribe to constituent funds according to the employee's instructions. If the employee does not provide investment instructions in the application form, his / her contributions will be invested automatically according to the Default Investment Strategy.

According to MPF legislation, the employer has to issue a monthly pay record to each employee within 7 working days after making the mandatory contributions (Except for employer who pay contributions for their casual employees on the next working day after pay-day). It should include the amount of relevant income, amount of both employer's and employee's contributions, and the date on which said contributions were made.

(2) Voluntary Contributions

Besides mandatory contributions, you may also make voluntary contributions, and the employer (if applicable) may make voluntary contributions for the employee. Voluntary contributions are not subject to the preservation, portability, and vesting provisions of the MPF legislation.

Voluntary contributions via your employer:

- Like your mandatory contributions, voluntary contributions made by yourself via payroll are fully and immediately vested, while voluntary contributions made by your employer are subject to the vesting scale set out in the provisions of the related participating agreement (e.g. the percentage of vesting is based on the employee's years of service upon termination of employment).
- Withdrawal of your MPF account balance and its investment return (profit or loss) derived from voluntary contributions is bound by the provisions stipulated in the trust deed and the relevant Participation Agreement and / or Supplement to the Participation Agreement. Under normal circumstances, the related account balance can only be withdrawn once your employment with the company has ended.

Employee can make voluntary contribution via employer by completing "Member – Addition / Change / Cancellation of Additional Voluntary Contribution" form and submit to any BEA branch or BEA MPF Administration Centre via your employer.

(3) Special Voluntary Contribution Account

Special Voluntary Contribution ("SVC") Account allows you to work towards your financial goals and retirement plans by choosing to make a regular contribution or a lump sum contribution.

You can make contributions without going through your employer, either paying cheque¹ at any BEA branch, making direct debit payments from your BEA bank account, making payments through BEA Online², making payments by eCheque^{1,3}, or making inter-bank transfers through Faster Payment System ("FPS")⁴.

- Invest as little as HK\$100 per month or make a lump sum contribution (minimum HK\$500) at any time.
- Fund switching and change of investment mandate are available at any time. You can also redeem some or all constituent fund units in your portfolio, increase or reduce your contribution amount, without any handling charges.

You can elect to make SVC by completing the "Member – Participation Agreement (Special Voluntary Contribution Account "SVC")", "Member – Application / Cancel Direct Debit Authorisation For Contributions" or "Member – Irregular Contribution" forms and submitting them to any BEA branch or BEA MPF Administration Centre.

¹ Payments by cheque and eCheque should be in the name of the account holder.

² SVC members should hold a BEA savings or current account and register BEA Online Services at any BEA branch to make payment to their SVC.

³ Please email the eCheque to BEAMPFePayment@hkbea.com together with your SVC account member number and contact number.

⁴ Payment account of FPS should be in the same name of the SVC account holder. Please input your SVC account member number and contact number under transaction reference of FPS. For information of MPF collection account, please contact BEA (MPF) Hotline 2211 1777 (operated by Bank of East Asia (Trustees) Limited).

(4) Tax Deductible Voluntary Contribution Account

Tax Deductible Voluntary Contributions (“TVC”) is a new type of contributions which can only be paid into the TVC account of an MPF scheme. TVC may be eligible for tax concessions starting from the year of assessment 2019/2020. The TVC account holder may, at any time, choose to have ALL accrued benefits in the TVC account transferred to another TVC account. Such benefit transfer amount cannot be claimed as deductions for taxation purpose.

- Tax deductible limit of up to HK\$60,000¹ for each year of assessment
- Voluntary in nature, but subject to the same vesting, preservation, and withdrawal restrictions that apply to mandatory contributions
- Accrued benefits in a TVC account can be transferred to another TVC account under a different MPF scheme at any time

Any person who falls under any one of the following categories may open a TVC account:

- Holders of contribution accounts of an MPF scheme; or
- Personal account holders of an MPF scheme; or
- Members of MPF exempted ORSO Schemes.

Each eligible person can only have one TVC account in an MPF scheme, but you may have more than one TVC account in more than one MPF scheme.

The Trustee may reject any application to open a TVC account in the event of (i) having reason to know that information and documents provided to the Trustee are incorrect or incomplete; (ii) failure of applicants to provide information and documents as required by the Trustee to ensure compliance with applicable laws and regulations relating to anti-money laundering or tax reporting; and/or (iii) other circumstances which the Trustee and the Sponsor may consider appropriate.

For risk management and compliance purposes, there could be circumstances (such as (i) to (iii) in the preceding paragraph) that TVC may be rejected. Any rejected TVC (with no interest) will be refunded within 45 days of receipt of any such TVC unless for some exceptional regulatory reasons the Trustee is unable to effect a refund within such timeframe.

You can make contributions in flexible amount² at any time with the following contribution payment methods: You can pay by cheque³ at any BEA branch, make direct debit payments from your BEA bank account, make payments through BEA Online⁴, make payments by eCheque^{3,5}, or make inter-bank transfers through Faster Payment System (“FPS”) / direct credit payments⁶.

- Invest as little as HK\$100 per month or make a lump sum contribution (minimum HK\$500) at any time.
- Change of investment mandate and fund switching are available at any time. You can also increase or reduce your sum of money for investment, without any handling charges.
- The maximum tax-deductible amount for each assessment year is HK\$60,000, which is an aggregate limit for TVC and Qualifying Deferred Annuity Policies ("QDAP") premiums. If you made TVC and paid QDAP premiums in the same year of assessment, tax deduction will be applied to TVC first. Any remaining amount will then be used for tax deduction on QDAP premiums.

You can elect to make TVC by completing the "Member Participation Agreement (Tax Deductible Voluntary Contribution Account "TVC")", "Member – Application / Cancel Direct Debit Authorisation For Contributions" or "Member - Irregular Contribution" forms and submitting them to any BEA branch or BEA MPF Administration Centre. You can also submit the TVC Account application by scanning the below QR code.

- ² The contribution amount under the BEA (MPF) Tax Deductible Voluntary Contribution Account is subject to minimum of HK\$100 per month for regular contributions, or HK\$500 for each lump sum contribution.
- ³ Payments by cheque and eCheque should be in the name of the account holder.
- ⁴ TVC members should hold a BEA savings or current account and register the BEA Online Services at any BEA branch to make payment to their TVC.
- ⁵ Please email the eCheque to BEAMPFePayment@hkbea.com together with your TVC account member number and contact number.
- ⁶ Payment account of FPS / direct credit payments should be in the same name of the TVC account holder. (IV) Transfer of Accrued Benefits

Employee Choice Arrangement

The Employee Choice Arrangement ("ECA") came into effect on 1st November, 2012, giving employees greater autonomy of choice. Employees are allowed to transfer their accrued benefits, i.e. the accumulated contributions and investment returns, which arise from the employee mandatory contributions made during their current employment to another MPF trustee and scheme of their own choice once every calendar year (the period from 1st January to 31st December in any given year); or not to make any change by retaining the accrued benefits in the MPF scheme they are currently enrolled in.

The transfer arrangements for accrued benefits in three main sub-accounts in MPF contribution accounts during your current employment will be different.

Accrued benefits in contribution account during current employment	Transferability	Type of MPF account that accrued benefits can be transferred to
Employer mandatory contributions	Not transferable	Not transferable
Employee mandatory contributions	Transferable in a lump-sum once every calendar year*	Personal Account
Mandatory contributions from former employment or self-employment	Transferable in a lump-sum at any time	Personal Account or other contribution account

* Every calendar year means the period from 1st January to 31st December in any given year.

If you wish to transfer the transferable accrued benefits from a contribution account during current employment to BEA MPF, please complete the "Member - Participation Agreement (Personal Account)" form and "Employee Choice Arrangement ("ECA") Transfer Election Form (Form MPF(S) - P(P))" and submit them to any BEA branch or BEA MPF Administration Centre. You can also submit the Personal Account application and the ECA transfer request by scanning the below QR codes.

ECA Transfer Request

If your employment is terminated, you have the following options with your accrued benefits:

If the BEA MPF Administration Centre does not receive instructions on how to handle your accrued benefits within three months after receiving the notice of your cessation of employment from your former employer, the accrued benefits will be automatically transferred to a personal account under the BEA MPF Scheme.

If you wish to stay with us and retain your accrued benefits in your Personal Account of the BEA MPF Scheme, please complete the "Member - Request for Fund Transfer Form (Form MPF(S) - P(M))" and submit it to any BEA branch or BEA MPF Administration Centre. You can also submit the Member - Fund Transfer Request by scanning the below QR code.

The maximum tax concession amount for tax deductible voluntary contributions in each year of assessment is set out in the Inland Revenue Ordinance (Cap. 112) and, in the year of assessment 2019/2020 and for each year after that year, is HK\$60,000.
