Warm Reminder to Employers & Scheme Members of BEA MPF Schemes

All BEA MPF schemes have been fully onboarded to the eMPF Platform. Here are some reminders to employers and scheme members.

Employers and scheme members are encouraged to **register and activate eMPF accounts**. Once successfully activated, you can manage your MPF accounts on the [eMPF Web Portal](#) or [Mobile App](#) anytime, anywhere. To learn more, please watch the [User Guide for Employers](#) and [User Guide for Scheme Members](#). Register and activate your account now!

The administration of MPF schemes is now performed by the eMPF Platform. Employers and scheme members are required to submit the MPF administrative instructions on e-Channels through the [eMPF Web Portal](#) or [Mobile App](#). Or submit the physical [MPF administration forms](#) to eMPF Platform to manage your MPF.

All contributions must be submitted to the eMPF Platform. For the payment methods and details of MPF contributions, please refer to the payment instruction of [BEA \(MPF\) Master Trust Scheme](#), [BEA \(MPF\) Value Scheme](#) and [BEA \(MPF\) Industry Scheme](#). The eMPF Service Centres **do not accept cash contributions**.
