The handling fee for the US-SMIP in the amount of USD 8 per stock will be charged upon the expiry of the first 3 months Handling Fee waiver for the US-SMIP. Eligible Customer must ensure to have sufficient available balance in the same currency in the designated BEA settlement account for the monthly total invested amount of the plan. If the purchase instruction cannot be executed due to insufficient funds or due to suspension of stocks or other market conditions on the day of execution, the waiver will not be extended to later months.

4. The waiver is applicable to fees charged under the US-SMIP only. The Promotion **does not include** the waiver of following fees:
- (i) Safe Custody Fee for stocks purchase outside the US-SMIP,
 - (ii) Brokerage Fee charged for the transactions outside the US-SMIP (for example, customers need to pay if they sell their stocks holding accumulated by the US-SMIP),
 - (iii) The cash dividend collection fee (charged at 0.5% of the cash dividend collected, with minimum of US\$2.50),

(iv) Other fee as listed in the Bank Charges table (for example, corporate action fee which the customers will need to pay if there is any out of pocket cost incurred).

The Bank reserves the sole right to change the fee listed in the Bank Charges table from time to time. Please refer to the Bank Charges listed in the Bank website for more details.

5. Each Eligible Customer can enjoy this Promotion once only.
6. Eligible Customer must maintain a valid securities sub-account and settlement account with the Bank during the Promotional Period otherwise the Promotion will be forfeited.
7. The date and time of an Eligible Transaction is subject to Bank's computer records. In case of any dispute, the Bank's decision shall be final and binding.
8. No person other than the Eligible Customer or the Bank will have any right under the Contracts (Rights of Third Parties) Ordinance (Cap. 623 of the Laws of Hong Kong) to enforce or enjoy the benefit of any of the provisions of these Terms and Conditions.
9. Notwithstanding any other terms and conditions in relation to other promotional offers to the contrary with these terms and conditions, if customer is entitled to the Promotion offer together with other promotional offers in relation to the securities account during the Promotional Period, the Bank reserves the right to only provide the Promotion offer to the customer, unless otherwise agreed by the Bank.
10. The Bank reserves the sole right to amend or cancel the Promotion offer and change the Terms and Conditions at any time without prior notice. In the event of any dispute, the decision of the Bank shall be final and conclusive.
11. These Terms and Conditions are governed by and construed in accordance with the laws of the Hong Kong Special Administrative Region.
12. Should there be any discrepancy between the English and Chinese versions of these Terms and Conditions, the English version shall apply and prevail.
13. In the event of any discrepancy or inconsistency between the information presented in the promotional materials and these terms and conditions, these terms and conditions shall take precedence and govern.

Important Notice:

Investment involves risks. The prices of securities may move up or down, and may become valueless. There is an inherent risk that you may incur losses rather than gain profit as a result of buying and selling securities. It is possible that you may lose some or all of your investment as a result of conducting securities transaction. Information contained herein is for reference only. It does not constitute any offer, solicitation, or recommendation for the purchase or sale of any investment products or the provision of investment services.

The value of your investment portfolio or your foreign currency or USD deposit will be subject to the risk of exchange rate fluctuation. If you choose to convert your investment portfolio or

your foreign currency or USD deposit to other currencies at an exchange rate that is less favourable than the exchange rate in which you made your original conversion to build that investment portfolio or foreign currency or USD, you may suffer loss in principal.

Investing in foreign market securities carries foreign exchange risk and additional risks not generally associated with securities in the domestic market. The value or income (if any) of foreign market securities may be volatile due to the fluctuation of exchange rate and adversely affected by changes in many factors. Investors should read in detail the relevant Risk Disclosure Statements before making any investment decision.
