

BEA sets up Green Asset Pool by selecting Eligible Green Projects according to its Green Deposit Framework. Green Deposit is allocated to Eligible Green Projects as follows:

<b>Green Project Industry</b>	<b>Proportion as of 30 Sep 2024</b>	<b>Proportion as of 31 Dec 2024</b>
Power & Utilities	23%	23%
Property Development	23%	25%
Property Management & Operations	22%	27%
Renewable Energy	7%	0%
Hotels, Restaurants & Leisure	18%	18%
Automotive Retail	4%	4%
Distributors and Wholesalers	2%	2%
<b>Total</b>	<b>100%</b>	<b>100%</b>

**Disclaimer:**

The Bank will conduct internal review of the Green Deposit Framework, Green Project evaluation and selection policies from time to time. The table above only presents the proportion as of the designated date and the Bank will not reinstate shall there be any adjustments made.
