POSSIBLE OFF-MARKET SHARE BUY-BACK

The Board announces that, on 28th January, 2022, each of the Elliott Parties executed the Deed of Undertaking in favour of the Bank. Pursuant to and subject to the conditions of the Deed of Undertaking, each of the Elliott Parties has irrevocably undertaken to execute the Buy-back Deed with the Bank in relation to an off-market share buy-back by the Bank of 246,510,173 Shares held by the Elliott Parties, representing approximately 8.43% of the total number of issued Shares.

The Bank is a company incorporated in Hong Kong. Under section 240 of the Companies Ordinance, a listed company may not enter into a contingent purchase contract relating to its shares prior to obtaining the requisite special resolution of its shareholders. Although the form of the Buy-back Deed has been negotiated and agreed between the Bank and the Elliott Parties, the Bank will not execute the Buy-back Deed unless and until it has obtained approval from at least three-fourths of the votes cast on a poll by the Independent Shareholders present in person or by proxy at the EGM. It is the Bank's intention to execute the Buy-back Deed immediately following the conclusion of the EGM if the requisite approval from the Independent Shareholders has been obtained.

The completion of the Share Buy-back will be subject to and conditional upon the prior satisfaction (or, where applicable, waiver) of certain conditions. Upon completion of the Share Buy-back, the Buy-back Shares will be transferred to the Bank and cancelled. The percentage interest of all other Shareholders in the issued Shares will be proportionally increased following the cancellation of the Buy-back Shares.

IMPLICATIONS UNDER THE SHARE BUY-BACK CODE

The Share Buy-back constitutes an off-market share buy-back by the Bank under the Share Buy-back Code, and accordingly completion of the Share Buy-back will be conditional on, among others, approval of the Share Buy-back by the Executive pursuant to Rule 2 of the Share Buy-back Code. The Bank will make an application to the Executive for such approval.

Pursuant to the Deed of Undertaking, each of the Elliott Parties has irrevocably undertaken to the Bank that it shall, subject to the approval of the Buy-back Deed and the Share Buy-back by at least three-fourths of the votes cast on a poll by the Independent Shareholders present in person or by proxy at the EGM, duly execute the Buy-back Deed immediately after conclusion of the EGM.

The Deed of Undertaking shall terminate at 5:00pm on the 70th day immediately following the date of this announcement (i.e. 8th April, 2022) or on such other date as may be agreed between the Elliott Parties and the Bank.

THE BUY-BACK DEED (AGREED FORM)

Parties

Sellers: The Elliott Parties
Purchaser: The Bank

Buy-back Shares

Each of the Elliott Parties agrees to sell or procure the sale of, and the Bank agrees to buy back, an aggregate of 246,510,173 Shares, representing approximately 8.43% of the total number of issued Shares, and representing all of the Shares currently held by the Elliott Parties in the Bank. Upon completion of the Share Buy-back, the Elliott Parties will not hold any relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code) in the Bank.

Consideration

The Buy-back Price for each Buy-back Share shall be the higher of:

- (a) HK\$11.19; and
- (b) the lower of: (i) 95% of the volume weighted average price per Share for the five trading days immediately following the date of this announcement; and (ii) HK\$11.78.

For illustrative purposes, assuming that the Buy-back Price is HK\$11.78, being the highest Buy-back Price based on the formula described above, this represents:

- (a) a discount of approximately 7.24% to the closing price of HK\$12.70 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (b) a discount of approximately 6.89% to the average of the closing prices of the Shares as quoted on the Stock Exchange for the last five trading days up to and including the Last Trading Day of approximately HK\$12.65 per Share;
- (c) a discount of approximately 5.97% to the average of the closing prices of the Shares as quoted on the Stock Exchange for the last 10 trading days up to and including the Last Trading Day of approximately HK\$12.53 per Share;
- (d) a discount of approximately 3.31% to the average of the closing prices of the Shares as quoted on the Stock Exchange for the last 20 trading days up to and including the Last Trading Day of

approximately HK\$12.18 per Share;

- (e) a discount of approximately 0.33% to the average of the closing prices of the Shares as quoted on the Stock Exchange for the last 30 trading days up to and including the Last Trading Day of approximately HK\$11.82 per Share;
- (f) a discount of approximately 65.18% to the audited net asset value of the Bank of approximately HK\$33.83 per Share as at 31st December, 2020, calculated based on the Bank's audited consolidated net asset value of approximately HK\$98,885 million as at 31st December, 2020 and 2,922,635,532 Shares in issue as at the date of this announcement; and
- (g) a discount of approximately 65.66% to the unaudited net asset value of the Bank of approximately HK\$34.30 per Share as at 30th June, 2021, calculated based on the Bank's unaudited consolidated net asset value of approximately HK\$100,251 million as at 30th June, 2021 and 2,922,635,532 Shares in issue as at the date of this announcement.

During the six-month period immediately preceding and including the date of this announcement, the highest closing price of the Shares as quoted on the Stock Exchange was HK\$13.50 on 14th September, 2021 and the lowest closing price of the Shares as quoted on the Stock Exchange was HK\$10.90 on 20th December, 2021.

Assuming that the Buy-back Price is HK\$11.78 (being the highest price per Buy-back Share based on the formula described above), the maximum total consideration for the Share Buy-back is HK\$2,904 million.

The consideration for the Share Buy-back was determined following commercial and arms' length negotiations between the parties taking into account the prevailing market conditions. The consideration will be settled in cash by the Bank from its internal resources at completion.

Other than the total consideration for the Share Buy-back described above, no other consideration or benefit in any form has been or will be paid by the Bank to any of the Elliott Parties and/or any parties acting in concert with them in connection with the Share Buy-back.

As at the date of this announcement, there is no outstanding declared but unpaid dividend in respect of the Shares. It is possible that the Bank will make, declare and/or pay a dividend before the completion of the Share Buy-back. If any such dividend is made, declared and/or paid, the Buy-back Price shall not be adjusted by an equivalent amount.

Conditions

The Bank will enter into the Buy-back Deed only if it is approved by at least three-fourths of the votes cast on a poll by the Independent Shareholders present in person or by proxy at the EGM duly convened and held in accordance with the Share Buy-back Code and the Companies Ordinance. It is the Bank's intention to execute the Buy-back Deed immediately following the conclusion of the EGM if the requisite approval from the Independent Shareholders has been obtained.

The completion of the Share Buy-back will be subject to and conditional upon the prior satisfaction (or, where applicable, waiver) of the following conditions:

- (a) the approval by the Executive of the buy-back by the Bank of the Buy-back Shares pursuant to the Share Buy-back Code (and such approval not having been withdrawn) and the condition(s) of such approval, if any, having been satisfied;

- (b) confirmation from the FRB that it does not object to the Bank's determination that the Bank no longer controls ICBC USA for the purposes of the Bank Holding Company Act; and
- (c) each of the warranties set out in the Buy-back Deed remaining true and accurate in all material respects.

The condition set out in paragraph (b) is required due to the fact that SMBC, a bank holding company under the Bank Holding Company Act, owns more than 5% of a class of voting shares of the Bank, and the Bank has previously been deemed to be a bank holding company with respect to ICBC USA for the purposes of the Bank Holding Company Act because the Bank historically controlled ICBC USA. Under the Bank Holding Company Act, a bank holding company like SMBC is required to obtain the prior approval of the FRB to acquire more than 5% of a class of voting shares of another bank holding company and any subsequent increase in shareholding thereafter. As a result, SMBC was required to, and did, obtain the approval of the FRB for its initial acquisition of more than 5% of the voting shares of the Bank and subsequently to increase its holding to up to 19.9%. SMBC's shareholding percentage would increase to approximately 21.47% as a result of the Share Buy-back and, accordingly, the FRB's prior approval for that increased percentage holding in the Bank would be required if the Bank is still deemed by the FRB to be a bank holding company for purposes of the Bank Holding Company Act.

As noted, the Bank has previously been deemed to be a bank holding company with respect to ICBC USA. In January 2020, however, the FRB released a new rule that establishes specific standards for determining whether a company controls another company or a bank for purposes of the Bank Holding Company Act (the "**Final Control Rule**"). In the Final Control Rule, the FRB establishes rebuttable presumptions of control, including in circumstances where a company is divesting a stake in a bank or other company. Under the Final Control Rule, the Bank's shareholding in ICBC USA does not trigger any of the rebuttable presumptions of control. For this reason, the FRB may take the view that the Bank no longer controls ICBC USA and therefore is no longer a bank holding company for purposes of the Bank Holding Company Act. Accordingly, the Bank intends to seek the confirmation described in paragraph (b). If the Bank is no longer deemed to be a bank holding company, then SMBC would not need to seek prior approval of the FRB for the increase in its percentage shareholding in the Bank.

The condition set out in paragraph (a) cannot be waived by any party. The Bank (and not the Elliott Parties) may at any time waive the condition set out in paragraph (b). Either the Elliott Parties or the Bank may waive the condition set out in paragraph (c), in each case with regard to the warranties given by the other.

If any of the conditions are not satisfied or (where applicable) waived on or before the Long Stop Date, either the Elliott Parties or the Bank may terminate the Buy-back Deed.

Completion

Subject to the satisfaction (or waiver) of the condition in paragraph (c) above, completion of the Share Buy-back shall take place on the tenth business day immediately following the day on which the last of the conditions set out in paragraphs (a) and (b) above is satisfied or (where applicable) waived or such other day as the Bank and the Elliott Parties may agree.

REASONS FOR AND BENEFITS OF THE SHARE BUY-BACK

When deciding to propose the Share Buy-back, the Bank took into consideration that the Share Buy-Back (i) is a good opportunity for the Bank to enhance its return on equity and its earnings per share; and (ii) will result in an increase in the consolidated net asset value per share attributable to the Shareholders of approximately 6% based on unaudited consolidated balance sheet of the Group as at

30th June, 2021.

Taking into account the above, the Directors (excluding the members of the Independent Board Committee who will give their opinions after taking advice from the independent financial adviser) are of the view that the terms and conditions of the Buy-back Deed are fair and reasonable, and in the interests of the Bank and the Shareholders as a whole.

To the best knowledge of the Directors, no Director has a material interest in the Deed of Undertaking, Share Buy-back, Buy-back Deed or the transactions contemplated thereunder. Accordingly, no Director was required to abstain from voting at the Board meeting approving the Deed of Undertaking and the transactions contemplated thereunder.
