In the event of any conflict between the Terms and the BEA Online Terms and Conditions, the Terms shall apply and prevail.

Before the Customer registers or uses the Service, the Customer should read the Terms carefully and ensure that the Customer understand the Terms in full. By registering or using the Service, the Customer shall be deemed to have accepted the Terms and agree to be bound by them.

1. JETCO Cardless Withdrawal Services

To use the Service, the Customer must be a BEA Online (also known as Cyberbanking) user who has provided a valid BEA Online email address and shall at all times follow the installation, activation and authentication procedures of the Service as prescribed by the Bank from time to time.

The Customer should log in to BEA Mobile and set up withdrawal instruction through "**JETCO Cardless Withdrawal**" function. The Customer must set up a withdrawal instruction by selecting withdrawal account number and input withdrawal amount, and confirm the withdrawal instruction by following the two-factor authentication procedure as prescribed by the Bank from time to time.

To proceed with the cardless withdrawal at the ATM, the Customer must select "JETCO Cardless Withdrawal" option at the ATM to start the Service. The ATM will display a Quick Response ("QR") Code generated by JETCO, which the Customer shall scan with the BEA Mobile installed in the Customer's mobile device. The withdrawal amount will be debited from the Customer's designated account maintained with BEA under the withdrawal instruction for settlement.

2. QR Code

In the Terms, "**QR Code**" means the Quick Response Code provided by JETCO for the Service. The Terms and any other terms and conditions that apply to the software through which the Customer accesses the QR Code are all applicable to the use of the QR Code under the Service.

3. Withdrawal Account

The Customer may select to use the Service by withdrawing from any one of the eligible HKD account(s) maintained with the Bank, whether such account is solely or jointly held by the Customer with the Bank, including savings account, current account, credit card account or all-in-one account as prescribed by the Bank from time to time.

The Customer will be liable to pay service charge and/or interest by using an eligible credit card account for cash withdrawal through the Service. The Customer will not be able to enjoy any bonus points, cash rebates, rewards or any other benefit schemes by using an eligible credit card account for cash withdrawal through the Service.

4. Withdrawal Limit

BEA ATMs and JETCO Member Bank ATMs may have different maximum and minimum transaction amounts for every cash withdrawal made through an ATM. If the amount of the withdrawal exceeds the transaction limit, the transaction will be rejected at the ATM and the Bank will not act on the withdrawal instruction.

The amount that the Customer shall be permitted to withdraw via the Service is subject to the daily withdrawal limit of the Service as prescribed by BEA from time to time without prior notice. The daily withdrawal limit of the Service does not apply to the ATM cash withdrawal by means of card and is separated from the ATM withdrawal limit per card per calendar day.

5. Set Up and Validity of Withdrawal Instruction

To use the Service, the Customer must setup a withdrawal instruction at BEA Mobile. Only one withdrawal instruction can be setup for each BEA Online username / login no. of the Customer each time and the withdrawal instruction will be valid for 60 minutes from the time when the withdrawal instruction is setup successfully by the Customer at BEA Mobile (the “**Validity Period**”). If the Customer does not withdraw the amount within the Validity Period, the withdrawal instruction will be expired accordingly and the Customer has to setup a new withdrawal instruction in case of need.

The Customer can access the information of the withdrawal instruction status and transaction activities related to the Service and give instructions to BEA in regard to the Service according to the procedures and rules as prescribed by BEA from time to time.

6. Cancellation of Withdrawal Instruction

The Customer has the option to cancel the withdrawal instruction via BEA Mobile before the withdrawal is made and within the Validity Period of the withdrawal instruction.

7. Suspension and Termination of the Service

The granting of the Service shall be at sole and absolute discretion of the Bank and the Bank may cancel or suspend the Service or any part thereof at any time without prior notice.

8. Liability

Unless due to the negligence or willful default of the Bank, the Bank shall under no circumstances be liable for:

The Customer shall indemnify and keep the Bank fully indemnified from and against all actions, suits, proceedings, claims, demands, losses, damages, costs, fees and expenses or liabilities of whatever nature which the Bank may suffer, incur, or sustain whether actual or contingent by reason or arising out of the use of the Service by the Customer provided that such indemnity shall not extend to any consequence arising solely from the negligence or default of the Bank.

9. Amendment

The Bank may revise any provisions contained in the Terms and/or introduce additional provisions to the Terms at any time and from time to time at the Bank's sole and absolute discretion.
