Additional Information

- 1. An APR is a reference rate, which includes the basic interest rates and other fees and charges of a product expressed as an annualised rate, such as each instalment and handling fee (as applicable). The APR is calculated according to the standard method set out in the Code of Banking Practice and is rounded up or down to the nearest 2 decimal places.
- 2. If the Late Charge is posted to the BEA Credit Card account, the Returned Cheque /Rejected Autopay Charge for the same Statement Cycle will not be levied.
