2	From the day following the day of receipt of member's valid instruction (before the cut-off time on that day) by the trustee's administration centre to the working day on which the trustee has completed changing the investment allocation of the existing account balance and allocating the relevant fund units into member's account (exclusive of the day of receipt of the instruction by the trustee). However, the relevant information may not be updated simultaneously to the trustee's website, mobile apps and IVRS. You may contact the trustee for details. 5	From the day following the day of receipt of member's duly completed form by the trustee's administration centre to the working day on which the trustee has completed updating the investment allocation of future contributions (exclusive of the day of receipt of the form by the trustee). However, the relevant information may not be updated simultaneously to the trustee's website, mobile apps and IVRS. You may contact the trustee for details. If the form is submitted through other channels provided by the trustee (e.g. bank branch), it may take extra time to pass the form to the administration centre of the trustee.
6	Prescribed spreadsheets are developed by trustees with automatic calculation of contribution functions for employers to prepare contribution data.
7	From the day following the day of receipt of employer's completed Remittance Statement by the trustee's administration centre to the working day on which the trustee has received the contributions from employer's designated bank account and then used the contributions to subscribe for units in the relevant constituent fund(s) (i.e. the date on which the fund price used for fund subscription is quoted) for the member (exclusive of the day of receipt of the Remittance Statement by the trustee). If the document is submitted through other channels provided by the trustee (e.g. bank branch), it may take extra time to pass the form to the administration centre of the trustee.
8	From the day following the day of receipt of employer's completed Remittance Statement and the contributions by the trustee's administration centre to the working day on which the trustee has used the contributions to subscribe for units in the relevant constituent fund(s) (i.e. the date on which the fund price used for fund subscription is quoted) for the member (exclusive of the day of receipt of the Remittance Statement and the contributions by the trustee).
