I/We confirm the above information is correct. I/We have read and understood the Terms and Conditions for Bank Services relating to Faster Payment System and agree to be bound by them.

Pay Now

Please ensure the payment amount is within the "Fund transfers or outward remittances to non-registered payees" limit and set at greater than HK$0. If you need to increase the limit, please activate i-Token and log in to Cyberbanking using i-Token as your dual authentication method, or log in using a QR code and follow the instructions. The new limit will be effective the next day.

6. Use i-Token to verify transactions.
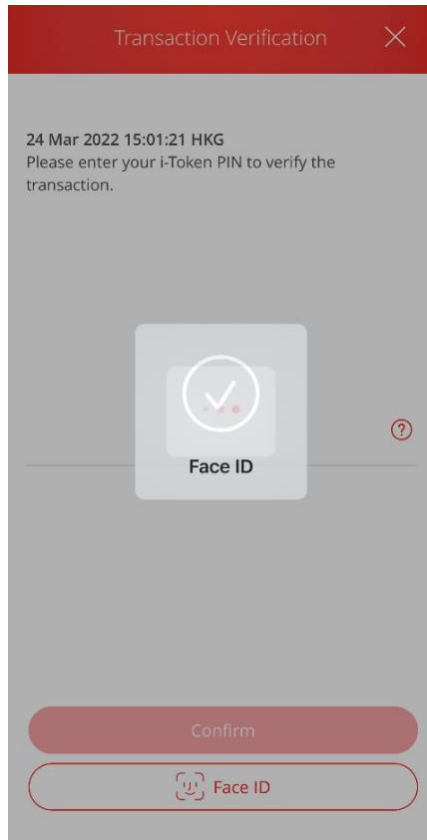

7. Click "Quit and return to merchant".
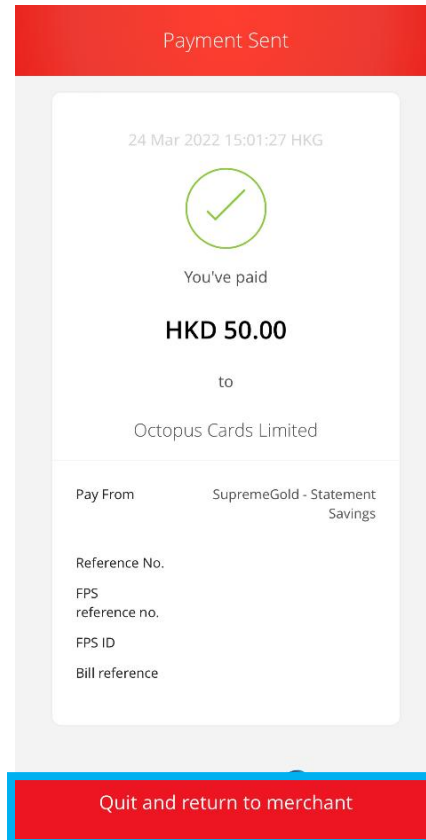

8. You will be automatically directed to your receipt in the Octopus App.
